

U.S. News & World Report Names Best Nursing Homes for 2017-18

Nine Altercare of Ohio Centers Are Acclaimed as the Best

Washington, D.C. – November 2017 – U.S. News & World Report, a leading expert in the evaluation and rating of health care providers across the country, today identified the Best Nursing Homes for 2017-18. U.S. News evaluated more than 15,000 homes nationwide, across each state and in 100 major metropolitan areas. This year, only 15% of nursing homes earned the designation of a U.S. News Best Nursing Home.

"Selecting the right nursing home that offers exceptional care for a loved one can be particularly challenging," says Ben Harder, Managing Editor and Chief of Health Analysis, U.S. News. "For the Best Nursing Homes, we analyzed objective data to arm consumers with the information and confidence they need to help them choose a home capable of providing the quality care seniors deserve."

"This recognition is evidence of Altercare of Ohio's commitment to sustainable care and quality," said Lisa Werstler, VP, Hospital and Community Relations at Altercare of Ohio, Inc. "It differentiates and distinguishes Altercare among providers and employers. Our superior clinical outcomes result in a successful pathway to healing and overall well-being."

The Altercare Facilities awarded as Best Nursing Homes 2017-18 are:

Crawford County:	Altercare Bucyrus
Cuyahoga County:	Altercare Saint Joseph
Franklin County:	Altercare Canal Winchester Altercare Hilliard
Medina County:	Altercare Wadsworth
Stark County:	Altercare Nobles Pond Altercare Country Lawn
Summit County:	Altercare Cuyahoga Falls Altercare Western Reserve

About Altercare:

Altercare of Ohio is a family-owned company operating 28 nursing care and rehabilitation centers in Ohio, and 1 in Michigan. Altercare facilities are dedicated to patient-focused nursing and rehabilitation services. Innovative care programming and employee education are a priority at all Altercare facilities. Altercare provides a full continuum of services including post-hospital transitional care, skilled nursing, physical, occupational and speech therapy, as well as Alzheimer's and related dementia programming. The objective of these caring services is to enable patients to successfully transition through our healing pathway to full health.
